Congratulations to our team competitors at Moultrie's Red, White and You Meet

In May our AAU-Level 2 girls took first place in the team competition for their group. In addition to the win they were featured in the Lee County Ledger to give the local people some idea of what In Bound is doing these days.

The level 5+ girls performed quite well also. A special congratulation goes out to these girls as well since this was many of their first competition at this level. If they can do well on their first try there is no telling what they will be capable of by the time we start the new season. Several of the level 5+ girls attended gymnastics camp in Athens this summer to help them refine their skills.
